

CASA MURO

CASA MURO

Situated in a traditional village street, this four bedroom townhouse offers guests everything they may need to savour Mallorcan village life. The house offers views of the Bay of Alcudia, Playa de Muro and Can Picafort from the bedrooms and the entrance. The stone walled living room is well furnished and has satellite TV and high speed wifi. There is access to the fully equipped traditional kitchen. The four bedrooms are nicely furnished. Three of them have double beds and an impressive en-suite bathroom. A fourth bedroom is furnished with twin beds and has an en-suite shower room. There is an upper terrace with informal seating, an umbrella and views of the pool and patio. On the ground floor there is a large courtyard garden with an attractive swimming pool surrounded by a lawned solarium. The covered dining terrace has an impressive wooden dining table, a fresh water well and sun loungers. Nearby there is a large wood-burning barbecue and an enclosed beamed summer kitchen with seating for 12 people.
