

VILLA MOSCARI 1

Villa Moscari 1

This is the perfect place for those looking to relax and unwind in the tranquil Mallorcan countryside, with a good selection of amenities and restaurants within easy reach. The villa is luxuriously furnished, with carefully selected items and artwork from around the world and a style that combines exoticism with Mediterranean charm. The impressive entrance hall features a pool table. If you love to cook, you'll love the retro-style open-plan Bulthaup kitchen with a La Cornue cooker and stone worktops. The dining room has an organically shaped natural wood table with seating for twelve and direct access to the covered veranda and garden through patio doors. The comfortable lounge has a fireplace for the cooler months, a curved HD TV and leads onto the covered veranda overlooking the pool. Villa Moscari 2 is the larger of the two houses on the estate and is 150 metres from Villa Moscari 1. It is therefore separate enough to ensure privacy, but close enough when both houses are rented together, making it the ideal place for larger groups or if you want to compete with your neighbours on the tennis court. You can take leisurely walks along the idyllic winding paths of the well-kept estate, which is planted with vineyards, olive, almond and fruit trees. The swimming pool, which can be heated on request, is flanked by a wooden terrace with numerous ergonomic sun loungers, super cool parasols and a sun lounge where you can relax and enjoy the sweeping views of the Bay of Alcudia. At the side of the house there is a covered summer kitchen with barbecue and wood-burning stove, and at the front there is a chill-out lounge. All five bedrooms have air-conditioning, underfloor heating, televisions and comfortable Schramm beds with fresh cotton linen. The rooms can be configured as doubles or twins depending on your preference, just let us know before you arrive.
