

VILLA MURO

VILLA MURO

This traditional stone finca with five bedrooms sleeps up to ten people, and is set in beautiful countryside with far-reaching views. The pool is set in a beautiful lawned garden and is equipped with umbrellas and ten sun loungers. Nearby is a large barbecue with its own pool bar. The bar has a small fridge/freezer and coffee maker.

There are several seating areas, a shaded paved patio and a large covered terrace for dining.

There is ramped access to the house for guests with mobility issues.

The large dining room has a wood burning stove, comfortable sofa, satellite TV, wifi and direct access to the covered terrace.

The master bedroom is nicely furnished and has a double bed. There is a raised bathtub overlooking the gardens and countryside.

There is direct access to one of the terraces.

There are four further bedrooms, all decorated to a very high specification and furnished with double beds. One of the bedrooms has an en-suite bathroom with mobility aids.
