

VILLA OLIVERA

VILLA OLIVERA

This elegant architectural structure is beautifully integrated into the steep hillside above Port d'Andratx. It is a quiet residential neighbourhood covered with pine trees and offers spectacular views over one of the most beautiful bays of Mallorca. The upper floor of the house is directly accessible, the other three levels cascade down to the sunny pool area. The surrounding gardens are planted with mature palm trees and fragrant flora, and there is even a lovely flat lawn for children to play on. Balustraded staircases and columns add a touch of classic sophistication to the dreamy ambience of the villa. The light and airy interiors combine with the comfortable, casual furnishings to create a relaxed, summery atmosphere perfect for making the most of your island holiday. The villa's six double rooms can comfortably accommodate groups of up to 12 people, and all but one have en-suite bathrooms. The rooms are bright and cheerfully decorated, and most offer wonderful views. Some have private terraces, perfect for sundowners as the sun sets over the bay.
