VILLA CELIA (ESMERALDA)

About the location The extraordinary Finca Esmeralda is located in the centre of Majorca, up a hill with a wonderful view over the landscape. The architecture is a mixture of an old Majorcan house and a modern one. The accommodation Each bedroom has a double bed. Opposite a bedroom and a bathroom there is a terrace with views over the pool area and the landscape. The living room is a nice reading corner. Connected to the living room is a wonderful wine garden with a dining table for 6 persons. The modern interior gives the living room a loft style. Around the finca you will find several terraces, the emerald green swimming pool, sun loungers and deck chairs give you plenty of places to relax. Guest access Guests have the entire finca for their own use. Other highlights The finca is in an idyllic and secluded location; it can only be reached via a bumpy dirt road, which should be taken into account when choosing a rental car; but it is the advantage that no strangers drive up to the finca and therefore you have your perfect idyll....
