

VILLA SA POBLA 2

Villa Sa Pobla 2 is the oldest of the Bugar estate houses. It dates back to the end of the 16th century. It preserves the structure of the old Majorcan country houses as well as numerous Renaissance elements, such as the staircase, the arch that supports the central wall, the windows, the cistern, etc... The idea that guided its restoration was to preserve all these ancient elements and to enhance them with a minimalist decoration. We therefore find large luminous spaces where the present and the past coexist.

In Villa Sa Pobla 2 we have all kinds of comforts so that you can enjoy your holidays in the best possible way. We want you to feel at home or even better. In Villa Sa Pobla 2 you can enjoy our swimming pool with spectacular views of the mountains, the birds singing in the morning, the beautiful sunsets from the garden, the comfort of our rooms, the silence and tranquillity of the nights in this rural Majorcan house are some of the charms that you can enjoy.
